

At yourCADservice we believe in providing a customized service to meet client's need.

Our experienced staff are skilled in producing accurate surveys. We have the latest software and on site equipment in order to provide a wide range of services in a variety of formats to suit your needs.

We currently carry a range of equipment and software including the following:

- Total stations with reflectorless laser distance measurement & inbuilt data logger.
- Hand held laser measuring devices for maximum efficiency and accuracy for internal distance measurement.
- Laser level devices etc.

We are able to supply the final drawings on CD or via email in the following formats:

- .DWG (AutoCAD format)
- .DXF (Universal format)
- .MCD .VWX (Vectorworks)
- .PDF (Acrobat format for viewing without technical software)
